Clean Mountain Escape to the Asheville Creekside Bungalow Mini-Resort!

Got the virus blues? Canceled vacation? Need time away from the walls of your home? Get out of the crowded city? We provide the perfect escape!
We use anti-viral, anti-bacterial cleaning in between each guest stay.

Gourmet Kitchen & Dining Room:
No need to go out for dinner, our spacious fully equipped gourmet kitchen has everything you need to bake and cook a delicious meal; just bring the groceries. The large dining room has benches and chairs and an extra table leaf to make the table even larger to comfortably sit eight people. We also provide a list of local restaurants that have takeout and delivery if you don't feel like cooking.

Jetted Hot Tub:
Relax your cares away, soothe aching muscles with the 29 jets, share friendly Conversations and drink beverages out of plastic cups using spa cup holders. Creek side patio with table and chairs. Be sure to bring swimsuits, robes and flip-flops. We provide towels.

Campfire:
Roast marshmallows. cook hotdogs, tell ghost stories, sing songs and tell jokes.
We provide s'mores packages, roasting sticks and your wood for your first fire!

Meadow:
Play corn hole game, play fetch with your dog, play tag, plastic horse shoes, or frisbee. Bring a baseball and mitts or football, and play catch.

Living room:
Turn on the cozy electric fireplace/heater and watch a Netflix show, Disney+ movie or DVD from our library on our 46 inch flat screen TV. Kids can sit on the beanbag chairs on the floor, and we have nestled small tables they can put their snacks on. There is a selection of children's books and several games and puzzles on the bookcase. For adults, enjoy our over-sized, very comfortable recliner or sofa while watching a movie. The comfortable memory foam queen sofa bed is perfect for large families.

Front Covered Porch & Fenced Yard for Children and Dogs
Enjoy your morning coffee or hot beverage on the front covered porch. Read a book, listen to the soothing sounds of the creek, watch your kids and dogs play in the fenced backyard. Take lots of photos and share them with family and friends on Facebook!

Creek Access:
Go through the gate in the fenced backyard and sit on the bench next to the creek. Sit on the moss-covered boulders with your feet in the creek. Children can play in the sandy bottom area (recommend water shoes to be safe) and your dog can enjoy a refreshing dip while you watch them play from the bench.

Screened In Porch:
Bug-free meals on the picnic table, Velcro darts, play board games, cards, read a book.

Barbecue Deck:
Cook a delicious meal on gas barbecue, enjoy a meal on the patio set with table, chairs and umbrella.
